***Tuesday,  
June 13, 2017  
6:00PM (registration),  
6:30PM (start)***

## WHERE

Mallorca Restaurant  
2228 E Carson St  
Pittsburgh, PA 15203

## ***Program Overview:***

This presentation is designed for nurses, nurse practitioners and other healthcare providers caring for patients who may experience chemotherapy-induced nausea and vomiting (CINV).

## ***Learning Objectives:***

- Review the current unmet medical needs in CINV.
- Discuss clinical data in patients receiving highly and moderately emetogenic chemotherapy.
- Highlight US professional guidelines for the prevention of CINV.

## ***Registration:***

Register here <https://goo.gl/QAlz3q> or email [events@americanmedicalcomm.com](mailto:events@americanmedicalcomm.com). If you have any questions, please call 1-888-962-4467.

This event is for US licensed healthcare providers. This event is open to ONS members, HOPA members and non-members.

This program is presented by Merck, in conjunction with American Medical Communications. No continuing education (CE) credit will be awarded.

We look forward to your participation!
